

European Society for Photodermatology (ESPD)

Second European Photodermatology Course

16th - 17th May 2014

Ash & Cusack Suites,

Croke Park Conference Centre,

Jones Road,

Dublin 3

Course Director: Gillian M Murphy MD FRCPI FRCP Edin, President ESPD

Head, National Photodermatology Unit, Mater Hospital

Course Objectives:

The course is open to all dermatologists wishing to acquire a basic knowledge of photodermatology, including of phototherapy. All essential aspects of the subject will be discussed, with sessions on basic photobiology and photophysics, normal human skin responses to ultraviolet irradiation, photocarcinogenesis, the photodermatoses and their investigation, sunbed effects, vitamin D matters, photoprotection and phototherapy. A clinical session demonstrating photodermatology patients and a visit to photodermatology investigation unit will also be included.

Course Details:

The course will run from 08:30 on Friday, May 16th to 13:00 on Saturday, May 17th, 2014

Course numbers will be limited to 100 participants, with 25 places reserved for attendees from the organizing country, Ireland
