Our increasing society activities depend very heavily on your annual membership subscriptions which include the 6 issues of the journal, Photodermatology, Photoimmunology and Photomedicine, and reduced rate to the photodermatology courses. I therefore strongly encourage you, if you have not already done so, to pay online now at www.espd.eu.com, by following the instructions under the Join/Renew tab, or your membership may regretfully have to be automatically terminated. Please also invite your younger colleagues to join our rapidly growing and progressive society!

The ESPD again wishes all members a very happy and productive year in 2017 !

I am looking forward to meeting you all in **Geneva Switzerland on the 13th September 2017** at our next annual scientific meeting.
